## PROFESSIONAL SUMMARY

---

Finance professional with over 9 years of experience in Accounts Payable and financial operations within fast-paced retail environments, particularly in consumer goods, lifestyle, fashion, and emerging sectors like electric vehicles (EVs). Proven expertise in managing end-to-end accounts payable operations, leading teams, enhancing workflow efficiencies, and implementing system improvements that significantly reduce processing time and improve cash flow management. Skilled in cross-functional collaboration with Accounting, Accounts Receivable, Tax, Treasury, and Product Management to support accurate financial closing and strategic decision-making. Possesses a strong foundation in accounting and data analytics, with a passion for driving process improvement and digital transformation in finance.
